### WHY CAR INSURANCE?

It is obligatory to have car insurance before using a motor vehicle on public roads. We are all in the risk of having an accident. This is why we have to protect the material damages we may cause to a third party in case of accident and to other people or family members who may be riding or driving our car.

**MEDPlan is a complete insurance program** that provides you with the following:

#### Covers\*

Third Party Liability for material Damage with a limit up to \$1,000,000

Compensation in case of death per person up to \$20,000

Partial and Total Disability

Medical expenses up to \$2,000

Waiver of premium for up to 6 months in case of death of the policyholder

Cover is active only within the Lebanese territories.

### RECOMMENDATION ON ROAD SAFETY

Always abide by the traffic code.

Avoid speaking on the phone while driving.

Always wear your seat belt.

Always have a fire extinguisher within reach.
