WHY RETIREMENT SAVINGS?

Secure your retirement years starting today.

IT'S NEVER TOO LATE TO START PLANNING YOUR RETIREMENT.

This insurance plan allows you to build up a cash value for your retirement, providing you with peace of mind, by securing an appropriate standard of living after retirement. It also protects your beloved ones if unexpected claim, Death and Total Disablement, happened to you, during the coverage period.

ADVANTAGES:

You can benefit from this plan if you're between 18 and 60 years.

No fixed period is required. You can choose when you want to retire, till you reach the age of 75 years.

You can choose the frequency of payment that suits you best: Monthly, Quarterly, Half Yearly and Yearly.

Minimum Monthly contribution is \$25.-

Minimum Sum Assured: \$10,000

You also have the option of protection against inflation, you can choose the annual indexation rate it suits you best from 1% to 10% applicable on the contribution

Flexible contract: You also have the option to increase or decrease the periodical contribution. Or in case your income increases, you can boost your investment with exceptional amounts at any time.

Your saving plan will benefit from a minimum guaranteed rate of 4% per year applicable on your periodical contributions.

You can withdraw total or part of your accumulated account without penalty starting the 5th year.

Payments are automatically debited from your Bank's account.
